Help make our association stronger, get involved.

We know you are busy, as are we. Running your own business is no 9 to 5 job. You have chosen to support the Iowa Chapter ALOA because it is providing you with something. It may be education, networking or just an added source of knowledge. For what reason you chose to join us, thank you.

Former Vice-President, Roger Hamilton, has chosen to resign his board member seat. We thank him for his many years of dedicated service to the former Iowa Locksmith Association and growth of our modern Iowa Chapter ALOA, which he remains a member.

If you are interested in becoming Vice-President, please contact a board member with questions. We greatly value your input.

It takes many hands to keep an association going. The more we grow, the more we can offer our members.
